-

QUARTERLY ACTIVITY SUMMARY

COMET RIDGE PROJECT

Comet Ridge EPC 1230 and Mining Lease Application (MLA 700005)

Comet Ridge continues to be a focus for the Company in terms of minimising costs and achieving savings where practicable. Expenditure has been reduced at Comet Ridge to a level more consistent with Acacia's broader strategy to maximise shareholder value in the current environment.

The Company was successful in achieving a 50% concession on its expenditure commitments in relation to Comet Ridge and will maintain expenditure at levels required to keep the tenement in good standing.

Triumph Creek Infrastructure

Acacia continues to hold registered caveats preventing the transfer or assignment of the Springsure Creek Coal Pty Ltd MLAs, which are directly associated with the Comet Ridge Project. Legal proceedings in the Supreme Court and Land Court of Queensland are continuing seeking to maintain those caveats and the Company is considering alternative courses of action given the purported termination of the Infrastructure Agreements by the Administrators of Bandanna Energy.

Background: In September 2014, Bandanna Energy Limited was placed under Voluntary Administration and in October 2014, its subsidiary, Springsure Creek Coal, was placed into Receivership. Acacia continues to protect its interests in the Triumph Creek Infrastructure MLA, which is located over the Company's Comet Ridge Project (EPC 1230) and is adjacent to the Comet Ridge MLA area.

CORPORATE

During the Quarter, the Company continued to implement administrative and organisational changes reflective of its drive to reduce costs, including consolidating its offices in Perth.

The sub-lessee of Acacia's offices in Sydney also took possession during the Quarter which will save the Company a significant amount of its fixed costs.

Acacia continues to explore alternative opportunities to deliver more immediate value for shareholders than can be delivered by Comet Ridge alone. Whilst the Company has interrogated a number of opportunities, the Company will not execute any related transaction until it considers such an opportunity to provide appropriate value to the Company and its shareholders.

Cash Management

At 30 June 2016 Acacia had approximately \$0.96 million cash-at-bank.
